Halloween Candy

This is an easy low cost way for the Pack to capitalize on ways you are already reaching out to youth in the community. Parents are already buying these treats to give away, so the only real expense is the labels and the time to print them out and attach them to the treats.

What You're Going To Need:

- Printable Address Labels
- · Parents willing to label their Halloween candy

How You're Going To Organize This:

Print out labels with Pack contact info, make sure to include on labels:

- Pack name
- Personal contact name
- Phone number and/or email address for contact person
- Meeting: Date/Time/Location

Attach labels to candy or wrappers, and hand-out treats with a personal invite to attend the next Pack event.
